Emami Agro to invest ₹700 cr to expand edible oil capacity

EMAMI AGROTECH, which produces edible oils under the brands Healthy & Tasty and Himani Best Choice, is investing around ₹700 crore to expand its production capacity to over 10,000 tonnes per day in the next one year from around 6,000 tonnes per day at present. The Emami Group firm is setting up a greenfield plant in Gujarat's Kandla, pumping in ₹500 crore. It is also investing around ₹200 crore to expand production capacity at its Haldia edible oil refinery and processing plant in West Bengal.
